

Delete Data Authorisation Form

In order to delete all data, please complete the authorisation form below required in order to process this request.

The form must be completed by either a Senior Leader/Management or the Data Protection Officer.

Please note: once the form is returned and the data deleted you will not be able to recover any of your data. We recommend if you are not able to continue with your full access license that you either opt for our free license or download your data first.

Data deleted: All IRIS Connect internal records containing personally identifiable information and all web platform data including accounts and associated uploaded content, inclusive of videos, comments and forms.

Delete Data Form

I fully understand that by signing and returning this form IRIS Connect will delete all of our organisation's data from their web platform and delete any PII stored on their internal systems.	
I confirm that I am authorised to process this request.
